

## SSR Policy

# *Website Teaching Files*

### Purpose:

This policy governs the posting of teaching material on the Society website.

### Policy:

The Chairman of the Electronic Communication Committee will be responsible for determining the suitability of the websites listed on the Society “Teaching File” page by ensuring:

1. Each listing has suitable educational value.
2. There is no significant commercial bias or advertising.

The Society Secretary will oversee the website and will represent the Executive Committee in determining the suitability of questionable sites.
