Young Investigator Travel Award

Purpose:

The purpose of this award is to (1) encourage research submissions from young investigators by providing a travel grant to minimize the financial burden associated with attending the Society Annual meeting, and (2) to provide meaningful recognition of the research done by young members of the Society.

Policy:

The Society Research Committee will review all applications and select recipients for the Young Investigator Travel Award. The Research Committee is solely responsible for the selection process and will establish appropriate award criteria. Individual awards are limited to \$1500.00. The Research Committee will determine the number of awards given. The cash value of the awards will not exceed the budgeted amount as specified by the Executive Committee. Award eligibility and the application procedure are as specified below.

Eligibility:

To be eligible for this award, applicants must:

1. be current members of the SSR.
2. be within five years of completing their fellowship or equivalent training.
3. have submitted an abstract for presentation at the annual meeting.
4. not have previously received this award.

Application Procedure:

Applicants must submit the following documentation to the SSR Administrative Director (admin@skeletalrad.org):

1. SSR abstract (include reference number please).
2. Current CV/Resume.
3. A one page summary of career goals and significance of attending the SSR meeting in achieving these goals.
4. Letter of support from Departmental Chair or Section Chief, Company President or equivalent.
